

IMPORTANT !

To enroll in the Kadyrov Chechen State University, foreign applicants should submit their documents through the students recruitment agency with which our university cooperates (the list of agencies is attached).

Documents are not accepted directly!

The documents are received and considered during the period of the Admission Committee, which begins to work in June and ends within the time limits established by the Admission Rules of University for each current year. The list and procedure for conducting entrance tests are established by the University independently.

For admission to the Kadyrov Chechen State University, you must provide:

- ❖ a copy of a passport (a notarized translation into Russian);
- ❖ a document of education with an appendix + a notarized translation into Russian;
- ❖ **expert opinion on the equivalence of the level of education** - the need to pass the recognition procedure can be checked here:
